Table Top Banner Display - No Side Panels

Assembly Instructions

Main Frame:

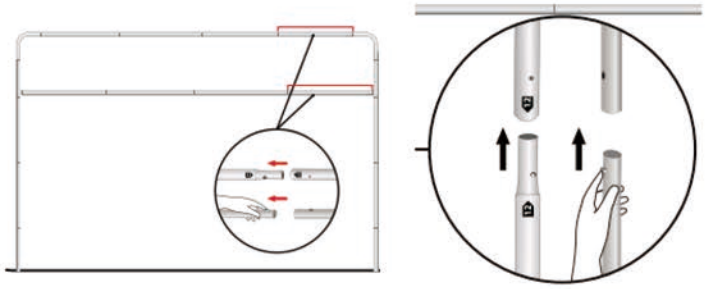

1. Top Corner (x2)
2. Horizontal Top Pole
3. Horizontal Bottom Pole
4. Top Sides (x4)
5. Middle Sides (x2)
6. Bottom Sides (x4)
7. Table Clamps (x2)
8. Main Graphic

1 Main Frame

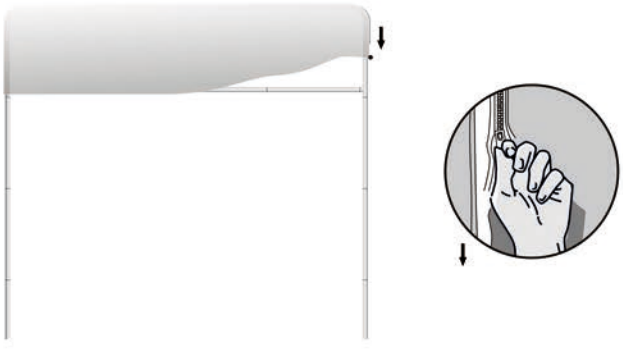

Separate the Main Frame parts from the Sides. Unfold the Poles and secure them in their extended positions. Connect all of the poles together by matching each number to its counterpart.

For 6ft table remove the 2 poles shown in red

2 Install The Graphics

Fit the Main Graphic to the Main Frame. Zip it closed.

3 Mount the Table Clamps

Mount the Tale Clamps on the ends of the table by tightening the screws on their undersides. Once the clamps are secure, carefully lower the main frame onto them so that the Bottom Sides slide onto the black cylinders.

Storage & Care:

Store in a cool dry location. Clean hardware with a damp cloth. Machine wash the graphics in cold water on a gently cycle. Air dry only. Use a steamer for wrinkles. Never dry-clean.
